Business Development:

Practical Approaches to
Opening New Homes &
Understanding City
Requirements

**Wednesday, October 29th 2025
12pm-1:30pm**

Join us for an informative session designed for those interested in opening or expanding recovery residence homes. This workshop will cover key topics including:

- how to choose the right location,
- navigate city and county zoning requirements, and
- understand local land use regulations.

Gain practical insights to help ensure your home is compliant, sustainable, and supportive of recovery-focused living.
